

# Treasure Hunt for Middle School Success

## QM Standard 5

Learning Activities & Learner Interaction  
Sample Lesson: <https://bit.ly/ExampleLesson1>

What do learning activities and learner interactions look like in your organization?

What activities did you see in the lesson? How can these kinds of activities help learners?

What ideas, strategies, or information could apply to your organization?

## QM Standard 4

Instructional Materials  
Sample Lesson: <https://bit.ly/ExampleLesson2>

What do instructional materials look like in your organization?

What instructional materials did you see in the lesson? How can these kinds of materials help learners?

What ideas, strategies, or information could apply to your organization?

## To View Full Unit in Schoology LMS:

1. Go to <https://schoology.idiglearning.org/login/>  
*If you have a schoology account, use course access code P2H5-JKXD-54VF5.*
2. Username: student1.demo Password: student1
3. School: Idaho Digital Learning Alliance

## Exit Ticket:

1. What is one new idea you took away from this session?
2. Describe something you learned that you would like to try to implement in a course in the near future.
3. What are the two treasure map items you found?
