Susan Gentz

Susan Gentz is an experienced policy specialist who worked on education policy as a former staffer in the Iowa House of Representatives, the United States Senate, a policy manager for iNACOL (now the Aurora Institute), and the Deputy Executive Director for the Center for Digital Education. She now spends her time as an education policy whisperer for anyone who has interpretation needs. She is a proud Iowan who is happy to explain the difference between field corn and sweet corn, but please do not ask her about potatoes

REQUEST A DONATION

Start Donation Request

Thanks for your interest in requesting a donation from Casey's! Here are some quick tips on our process:

- The process requires setting up an account with YourCause Grants Connect. Once this is complete, you will be able to submit an online application.
- Make sure you have your government tax identification number handy for this process.
- When you start the application you will search for your organization in YourCause's database. You will need to add your organization if it is not in the database.
- If you have questions during the process, support is available through email or live chat with YourCause.

An important goal of Kwik Trip is to make a positive difference in the lives of others and in our communities. We have several programs in place to assist those who could use our support. Please apply under the category that you feel best fits your request.
