QM Learning Community
QM TOC Faculty Cohort
Presentations at QM Connect 2023

First in house APPQMR workshop

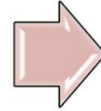

Discussion of System subscription

Lessons Learned

- Create your own opportunities
- Be prepared when the opportunity comes
- Find partners
- Practice continuous improvement mindset
- Don't give up

Underlying Principles of QM (4 Cs)

Continuous

Centered

Collaborative

Collegial

Strategies for Institutional Support for QM PD

- Use free/ cheap QM PD opportunities
- Show impact, even on small level
- Present
- Build partnerships with other institutions
- Create your own dream job

Next Steps for 2024

1. Write a QM Implementation Plan (continuous)
2. Prepare courses and programs for QM review (continuous)
3. Collect data to show impact (research-centered)
4. Build QM faculty cohort (collegial)
5. Contribute to establishing QM state system (collaborative)
