eLearning Blackboard Connection Community

As an eLearner, you can take advantage of a fantastic, free resource at Kodiak College - the eLearning Blackboard Connection Community!

Through this Blackboard shell, you can connect with other eLearners, have eLearning resources at your fingertips, ask questions, and receive updates and support. Here are some of the awesome features of the Blackboard community:

- **Live chat sessions** via Blackboard Collaborate allow you to interact with one another and ask questions related to your eLearning environment.
- **Discussion Boards** provide opportunities for you to connect with other eLearners and engage in helpful discussions on topics relevant to eLearning.
- **Links to useful eLearning resources** help you to further explore ways of succeeding in your eLearning courses.

If you would like to be part of this wonderful Blackboard community, sign up here!
